

Present: Glass, Schroeder, P. Schmitt, Schneiter, K. Schmitt.  
Absent: None.

Mayor Paul Herold called the meeting to order at 6:30 p.m.

Nancy Ondrashek and Dawn Graf requested to put a house on the lot where the fire occurred. Cleanup is scheduled for Saturday, July 9<sup>th</sup>. Mayor Paul Herold explained the lot is in the floodplain and would need to follow code of building up the lot so the main floor is one foot above base elevation, which would set the house pretty high up to obtain. Recommended they contact insurance provider for direction.

Greg Barta reported the wells are now capped, just need to pull some wiring yet. Called Fauser, and can book LP at \$ .84 for the winter.

Motion by Schneiter, seconded by Schroeder to approve the following consent items: June 1, 2016 council minutes, clerk's reports, and monthly bills. Carried.

Recommendation on the Sewer Project, prior to next round of CDBG grant funding is to have an option for land to purchase if we are funded. Herold advised he would make some contact. Herold also advised Council he will put a letter together explaining the proactive reasoning for the size of lagoon we are requesting.

Discussed Nuisance letters that have been sent. City Clerk Amie Johansen will follow up on the ones that have not taken action.

Motion was made by Glass, seconded by K. Schmitt, to approve Library Board appointments for Bernice Pavlovec, Theresa Burke, and Janice Myers to replace outgoing members Joyce Barta, Denise Elsbernd, and Lisa Hageman. Carried.

Mayor Paul Herold explained 2 years ago he made a triangle land exchange, and recently when he was updating the abstract, it was found the process was not complete as it had not been published. Attorney Zahasky recommended we repeat the process to correct the issue. Herold advised he will assume the costs. Motion was made by Schneiter, seconded by Glass, to set a Public Hearing for August 3, 2016 meeting and to publish again. Carried.

Herold explained DNR and USGS have river gauges that record important information on the Turkey River, and are wanting to shut the Spillville gauges down due to budgeting. Emergency Management will take over the cost next year, but for this year, need funding by the area towns to keep them operating. Our portion of the \$8,960 cost per year for just this year will be approximately \$1,350-\$2,000. Motion was made by Glass, seconded by P. Schmitt, to approve our cost share. Carried.

K. Schmitt made a motion to adjourn, seconded by Schroeder, carried. Meeting adjourned at 7:22 p.m.
