Present: Glass, Elsbernd, Schmitt, Karnik, Schneiter

Absent: None.

Attest.

Mayor Paul Herold called the meeting to order at 7:30 p.m.

In his absence, Greg Barta provided the Council with written reports high lighting his work activities.

The city clerk informed the Mayor and Council the City received funding from FEMA to assist in repairing city property damaged from flooding this past summer.

Motion by Elsbernd to approve the following consent items: October 1, 2014 council minutes, clerk's reports, and monthly bills, seconded by Glass, carried.

A brief discussion was held regarding the Community Development and Housing Needs Assessment that is required for the Community Development Block Grant application.

The Council discussed the condition of the City's backup well. It was the consensus of the Mayor and Council that due to its age, water quality and location, it wouldn't be realistic to repair it. They noted if the City were to have a second well the best option would be to drill a new one. It was concluded financing a new well at this time is not feasible, but it should be included in the City's long term planning.

Elsbernd made a motion approving the re-appointment of Alan Becker to serve as the City's representative on the Winneshiek County Community Foundation Distribution Committee, seconded by Schneiter, carried.

Due to a conflict, the December council meeting will be held on Tuesday December 2, 2014 at 6:30 pm.

Changing the meeting time of all future monthly council meetings was discussed. The city clerk was directed to prepare a resolution, changing the meeting time from 7:30 pm to 6:30 pm, for approval at the December 2nd meeting.

Schmitt made a motion to adjourn, seconded by Schneiter, carried. Meeting adjourned at 8:10 p.m.
