Paul Herold called the meeting to order at 6:00 p.m.

Sam Hageman requested to pour footings quickly for a 30' x 40' x 12' building on his lot on Grove Street behind his house. Council looked at the location and all the setbacks can be met as per the ordinance, except for the size of 40'. Council would like to revise the ordinance to discuss case by case, as on this lot, the building will fit and look appropriate. Johansen will prepare the Ordinance change for next meeting to be acted on. Motion was made by Schroeder, seconded by Glass, to approve Hageman to proceed with his building permit. An invoice will be sent to Hageman for having a special council meeting in order to act on the request. All Aye. Carried.

Next meeting will be **November 3, 2021** at 7pm in the Community Center. Motion to adjourn was made by P. Schmitt, seconded by Leuenberger. All Aye. Carried. Meeting adjourned at 6:15 p.m.
